Commissioner of Patents  
P. O. Box 1450

SIR:

Applicant respectfully requests that the inventorship in this application be corrected by adding Michael Herman, Sen Yang, Peter F. Lee and Ladislav Bednarik as joint inventors with Agne Swerin and Jay C Song. This application claims the benefit of provisional application serial number 60/410,666, which correctly names all the actual inventors, but the names being added herein were inadvertently omitted when the present application was filed. The failure to name Michael Herman, Sen Yang, Peter F. Lee and Ladislav Bednarik as inventors occurred through error and without deceptive intention. The error was only recently discovered.

Attached hereto are:

- (1) A statement from each of the inventors being added that the failure to name him as an inventor in the original application papers occurred through error and without deceptive intention.
- (2) A signed Declaration by all the actual inventors, pursuant to 37 C.F.R. 1.63.
- (3) The fee as set forth in 37 C.F.R. 1.17(i).
- (4) Consent of the assignee pursuant to 37 C.F.R. 3.73(b).
